

Serenity
Sliding Door Systems

Introducing Live Webinars

Join our team of experts online to ask and learn

Serenity provides sliding door systems in the U.S. and Canada for the healthcare, hospitality, and commercial office industry. Our space-saving sliding door systems offer the look of a traditional barn door with the convenience of a fully packaged complete system. We provide a hassle-free process, near endless customization, and opportunities for continued education.

Come see what Serenity can do for you!

Learn About Our Sliding Door Systems

Join our team of experts for in-depth, information packed webinars where you're able to ask your questions live and get answers right away. Whether you're just getting to know our product line or need training on how to install our systems, we've got you covered.

SLIDING DOORS 101

Sliding Doors 101

For those who are new to Serenity or are looking to learn more about our products and processes.

INSTALLATION TRAINING

Installation Training

For those looking to learn how to install and adjust our sliding door systems.

Webinars By Request

Visit our online calendar to check out current events and get registered or send us an email to request a private webinar. We're happy to provide these webinars by request for your company. To schedule a webinar or submit a topic you'd like to see discussed, email info@SerenitySlidingDoor.com.
